### **K-181 resurfacing starting in Osborne, Smith counties**

The Kansas Department of Transportation plans to begin work on a resurfacing project on K-181 in Osborne and Smith Counties starting Tuesday, May 9.

Crews will mill and overlay 19 miles of the highway starting at the U.S. 24 junction in Downs and ending at the U.S. 36 junction in Smith County. Traffic will be reduced to one lane and directed by flaggers and a pilot car through the work zone; delays up to 15 minutes should be anticipated.

KDOT expects work to be completed in June, conditions permitting.

Venture Corporation of Great Bend is the primary contractor for the \$4 million project. For more information, contact KDOT area construction manager Dan Moore at 785-302-6205 or [daniel.moore@ks.gov](mailto:daniel.moore@ks.gov).
